Frequently Asked Questions

This document provides answers to common questions about the Premier Program

If my home comfort system breaks down, how fast will you service it?

As a Premier Program member, you can expect priority service should your home comfort system ever need servicing. Please contact Wm. Price Heating & Cooling and one of their qualified service technicians typically will be dispatched to your home within 24 hours.

What is the installation process and how long does it take?

The installation is performed by Wm. Price Heating & Cooling. Installations in most cases take about a day. Wm. Price Heating & Cooling will set up a time and day for the installation that is most convenient for you and fits with your schedule.

Will someone show me how to work the home comfort system and the controls for it?

Yes. Wm. Price Heating & Cooling will answer all your questions concerning how the home comfort system works, walk you through how to properly operate the new system controls or thermostat and show you how to change the air filters.

What brands of home comfort equipment do I get with the Premier Program?

Wm. Price Heating & Cooling works with several quality, nationally recognized HVAC, plumbing, and electrical manufacturers. Based on your specific home comfort needs, Wm. Price Heating & Cooling will recommend the best options for you to consider.

What happens to my old home comfort system?

Wm. Price Heating & Cooling will safely remove and dispose of your old home comfort system in an environmentally friendly manner.

How do I schedule maintenance of the home comfort system?

Wm. Price Heating & Cooling will contact you to schedule the annual heating, cooling, or electrical system maintenance. Plumbing maintenance is scheduled on an as-needed basis. However, if you must reschedule that appointment, contact Wm. Price Heating & Cooling to do so, at your earliest convenience.

Are there additional costs, other than the Premier Program monthly payment?

With the Premier Program, and pursuant to the type of home comfort system Wm. Price Heating & Cooling installs, all system maintenance, consumable parts, and covered repairs are included per the terms of your Premier Program agreement.

Who do I contact with questions about the home comfort system?

For questions concerning the home comfort system, contact Wm. Price Heating & Cooling. Contact information is included in your Premier Program agreement.

How long does this Premier Program service last? What happens when it ends?

The standard term for the Premier Program is 10 years. At the end of the standard term, you may elect to do any of the following (subject to the terms and conditions of your Premier Program agreement): 1) upgrade to a new system, 2) extend your Premier Program agreement, 3) exercise your purchase option, or 4) return the system.

What if I sell my house?

If you sell your home, you have a couple options with the Premier Program:

Option 1: Contact us to apply to transfer the service to the new homeowner; upon the new homeowner being approved for the Premier Program and executing required documentation, they will assume responsibility for any remaining payments.

Option 2: Contact us to exercise your purchase option, as detailed in your Premier Program agreement. Under this option, you will take ownership of the system and program benefits will cease upon your exercise of the purchase option.

Who do I contact with questions about my bill or making a payment?
